

GUIDANCE FOR SACRAMENTO COUNTY SCHOOLS DURING WILDFIRE SMOKE EVENTS

This information sheet provides resources for school officials to help make decisions about school activities and closures during a wildfire smoke event.

For current information on fires, smoke and air quality, visit EPA's AirNow website at fire.airnow.gov.

For information on local air quality and other wildfire resources, visit Sac Metro Air District's website at AirQuality.org and click on the **Wildfire Smoke Information** link.

For information on limiting smoke exposure, visit the Sacramento County Public Health Department website at dhs.saccounty.gov and search for **Wildfire Smoke Exposure**

To address immediate public health concerns and wildfire smoke, call the Sacramento County Public Health Office **(916) 875-5881**

For general inquiries, call Sac Metro Air District's main line **(279) 207-1122**

For current local air quality, download the free **Sacramento Region Air Quality** app.

For current smoke and air quality information, download the free **EPA AirNow** app.

Visit SpareTheAir.com to sign up for Air Alerts and find other tips and actions you can take to help reduce air pollution.
